

“Before You Go” Checklist

Use this checklist to help you prepare for your departure. Performing these tasks can help you to avoid common problems and protect your home while you're away. After you leave, we'll check to make sure they were performed and take care of anything that was missed.

- | | |
|--------------------------|---|
| <input type="checkbox"/> | Remove important papers and valuables from home. |
| <input type="checkbox"/> | Turn off water main. |
